

COLLEGE OF DAIRY TECHNOLOGY, UDGIR

ANNUAL REPORT 2018-19

1. INTRODUCTION :

Government of Maharashtra has established College of Dairy Technology, Udgir (Dist. Latur) on 8th of August 2008 under Marathwada Development Programme as a constituent college of Maharashtra Animal and Fishery Sciences University, Nagpur. The main aim of the institute is to enlighten and empower students by imparting advanced knowledge in the fields of dairy technology by adopting innovative, efficient and effective strategies. The college was started in the small structure belonging to College of Veterinary and Animal Science, Udgir and as temporary arrangement, services of teaching and non-teaching staff were pulled from College of Dairy Technology, Warud (Pusad). College started functioning in the small building of COVAS, Udgir as temporary arrangement. It was shifted on 26th Jan, 2010 to new structure, which was Goat and Sheep farm. Within short span of time, the college acquired basic facilities required for B. Tech (Dairy Technology) degree programme.

College is offering B. Tech (Dairy Technology), a four year degree course based on ICAR pattern and having the intake capacity including ICAR is 36 students. The course curriculum is on the line of ICAR, New Delhi, which consist of 8 semesters covering one hands on training and an industrial training at multi-product dairy plant all over the country. Since the acceptance of V Dean's committee's recommendations (2016-17), the students are exposed under READY programme to experience various training aspects related to farm milk production practices in the cattle farm of veterinary college, for milk procurement systems the students are deputed to milk collection centers of co-operative and private organization. Also, students are handling and operating the equipments for milk processing, manufacturing of milk products and its marketing during their practical course and hands on training. Beside this for efficient education, institute provides facilities such as internet, intranet, website, sport grounds and its materials. Institute initiated various facilities for the students on no loss and no profit basis viz. transport, tea/Coffee, photocopy, lamination, spiral binding, Wifi campus, Optical Fiber Cable, CCTV, etc.

College library has collection of 3844 books, costing more than Rs. 41.50 lacs. In addition to this, library is dealing with 17 research and extension related monthly magazines and periodicals, 11 Marathi and English news papers. The books and magazines for competitive examinations are also available in the library. The library has SOUL software and photo copy facility. Department of Computer Science consists of sufficient number of computers and all are with internet facility and made available for staff/students of institute. It has also developed language laboratory includes 10 computers with Word Worth software.

To develop educational skills and to strengthen teaching methods, the class rooms are equipped with audio visual aids such as LCD projector, plasma TV and Interactive white boards with internet facility-2MBPS through optical fiber. College gymkhana has good collection of sport materials for National and Western games. Basketball, volleyball, badminton, kabaddi, kho-kho play grounds for outdoor games are available in the premises. The facilities for indoor games such as Table-Tennis, Chess and Carrom are also made available to the students and Gym facility is available with the institute. For overall development of students different programs viz. Shree Ganesh festival, College foundation day, Fresher's welcome, orientation programme for newly admitted students and farewell function for the final year outgoing students are being organized.

The NSS activity was commenced from 2009 with 50 volunteers got increased to 60 as regular volunteers and 30 for special activity. Seven special camps were organized under NSS at Lohara (March 2011), Barhali and Loni (March 2012) Kavalkhed (2013), Sumthana, (March 2015), Vadhavana (Khu.) (March-2016) and Vadhavana (Khu.) (March-2017), Ghonsi (March-2018) and Ghonsi (March-2019) respectively.

To execute the different extension activities such as trainings/workshops for milk producer, rural unemployed youth and rural women empowerment, a small Training and Extension cell was developed at the college. The training hall is well equipped with various extension aids like moving trans-slide, LCD Projector, flex boards, khoa machine, juice dispenser, sound system, television; 04 glass fabricated Models, 14 Rollup banners, 16 Informative charts, 20 ecosolvent boards etc. Further it is point out that in All India Entrance Examination for Post Graduate Studies conducted by ICAR our students excel every year. Two students from the first batch of the college secured 1st and 3rd rank in 2012, 2nd rank in 2013, 3rd in 2014, 5th rank in 2015, 1st and 3rd rank in the year 2017 and 4th rank (Dairy Technology), 4th rank (Dairy Sciences), 10th rank (Dairy Technology), 14th rank (Dairy Technology) in the year 2018
